## Omaha Summer Arts Festival (OSAF) – Chalk Art

### About OSAF:

OSAF is one of Douglas County's elite signature events attracting an estimated 75,000 people each year. OSAF is presented free to the community and offers a diverse recreation and entertainment opportunity, by providing a showcase for our community – highlighting the best that Douglas County can offer to its residents and out-of-town visitors alike.

Cultural diversity is at the core of the Omaha Summer Arts Festival – from our musical series, “Voices of the World,” featuring local, regional, and national performers, to our Artists’ Market which has offered the artwork of more than 135 local, national, and international artists representing 35 states, Mexico and Canada.

OSAF offers a unique blend of enriching arts and entertainment programs free of charge. Over the past 49 years, the Omaha Summer Arts Festival has developed into a regional draw – regularly attracting visitors from an area as large as 150 miles in radius outside of Douglas County.
